Acquisition Workforce Data Improvement Tool -AWDIT-

Acquisition Workforce Data Improvement Tool (AWDIT) Implementation Schedule Phase I

2008 Today

Current focus is to finish implementation

- ▲ Kick-Off/Training
 ▲ Implementation Complete
▲ Phase I Implementation Complete
- ▲ Implementation Start

* DCMA pilot began 21 July, rollout will continue by organization

AWDIT Implementation Phase II (Mass Uploads to DCPDS)

Today

2008

Phase I Implementation Complete
 Phase II Implementation Complete (Mass Upload)

* DAU completed mass upload/implementation Phase II in Mar 2008

Criteria for Deployment Success

- AWDIT rolled out and proofed by each 4th Estate agency
- High data accuracy rate
- Data kept current with monthly re-freshes from Defense Civilian Personnel Data System

AWDIT Implementation Benefits

- Assessment and re-validation of methodologies used to designate and code acquisition workforce positions
- Review and modifications to in and out processing of acquisition workforce members
- Identified defense acquisition workforce members who have separated from DOD and those who have come on board
- DAU and 4th Estate data manager communication channels established
- Opened up discussions/clarification on policy and other 4th Estate e-tools
- Several new interfaces between the DAU Datamart/AWDIT and other databases of record were established to further improve data integrity
 - AWDIT to ACQTAS and vice versa
 - CMIS to AWDIT
 - DCAA training system to AWDIT
- Validates the demand and supply of training requirements
- Validates “first priority” students
